### About the SAP Internship Experience Program

The SAP Internship Experience Program is SAP's global, strategic, paid internship program that provides university students with opportunities to find purpose in their careers.

#### What you'll do:

- Create software that makes a real impact in the daily life of our customers.
- Developing, refactoring and enhancing existing application parts to fulfill today's test automation and architecture standards.
- Building broad and deep functional, technical, and business process knowledge in selected areas of the application. Share your experience within the team and provide guidance to less experienced developers.
- Working in a highly self-motivated and reliable manner and applying agile software development principles, leveraging the SCRUM methodology.

#### What you bring:

- Programming skills in a language of your choice JAVA, JavaScript, Python, C, etc. Experience with object-oriented programming, common data structures, algorithms, design patterns.
- General software engineering knowledge (version control, API design, database design, testing, code quality, ...).
- Analytical skills to drive the root cause analysis for complex problems.
- Having a logical approach to problem solving and ability to respond to detailed queries.
- Competent in English (spoken and written).

#### BENEFITS WE PROVIDE TO OUR EMPLOYEES

- You will get initial training on technical and business topics
- SAP will provide continuous training to increase your qualification
- Flexible working hours and home office option
- Contribution to sport/culture/leisure
