

LIVENESS DETECTION

Liveness Detection For Fingerprint Sensors

Features

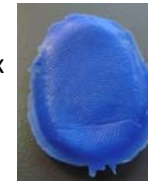

- antispoofing feature for fingerprint sensors
- touch or/and touchless technology
- up-to-date technologies and principles
- fake fingerprints manufacturing
- fingerprint sensor testing and spoofing
- Patent No. WO/2007/036370
- Czech Utility model No. UPV-19364 (2008)
- Thanks to project support:
MŠMT CZ.1.07/2.3.00/09.0067

Fake finger materials:

- Durocast

- Siloflex

- Siligum

- Latex

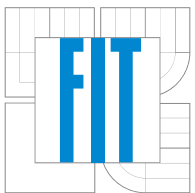

- Gelatine

- Wax
