GUIDELINE 17/2019 PHYSICAL EDUCATION

Article 1

Introductory provisions

1. The aim of this guideline is to specify the rules for physical education for students in all study programs at Brno University of Technology (abbrv. as BUT).
2. The physical education on BUT is in the form of elective course.
3. Physical education for all BUT students is provided by Centre of Sports Activities (abbrv. as CESA).

Article 2

Physical education

1. The elective physical education course is a part of all study plans of all study programs at BUT. This course can take one or two hours per week and, upon completion, the bachelor or master student is awarded one credit.
2. The director of CESA is responsible for the scope and selection of sports to the rector of BUT.
3. Every student of BUT can attend 2 hours of physical education per week per semester. The student can either enroll in two courses (each taking one hour per week) or in one course, that takes two hours per week. If a venue is not a property of BUT, the CESA can calculate a fee to cover the cost of leasing it. The pricing is set one week before the physical education courses enrollment.
4. Students use BUT information system to enroll in the physical education courses in the times provided by CESA.
5. Students can participate in other activities provided by CESA for payment. The size of payment is set by CESA for each semester at the latest 14 days before it begins.

Article 3

Financing of physical education

1. Physical education courses are financed from the budget of the faculty or part that administers the study program, in which the student enrolls in the physical education course.

Article 3

Closing provisions

1. This guideline cancels Guideline 39/2017 Directive On English, Social Science and Physical Education Courses.
2. This internal directive is effective from the date specified in its header.
